WHAT MAKES QWIK PICZ DIFFERENT?

Peace of Mind:

We carry backup electronics to every event. If one of your guests "breaks the camera", no worries, it will be fixed within minutes.

We have been hired for over 2,000 events and have shown up and completed EVERY one!

Professional:

Need us to start after dinner? We will still come early to setup so we are not interrupting.

Qwik Picz will NOT be sending an attendant who sits behind the booth. Everyone on our team is friendly, helpful, and engaged with your guests at the photobooth to provide the ultimate photo booth experience.

WHAT WE DO:

Photo Booths and ONLY Photo Booths! Of course, it is much easier to go to a one stop shop that you can get your DJ, Photo Booth, Photographer, and Videographer from. However, there is a good chance that you are going to be dissatisfied at the end of Your Big Day due to the lack of focus in one area. We put ALL of our focus on making sure that your photo booth experience is nothing less than excellent. We strongly encourage you stay away from companies that offer you EVERYTHING. We are very happy to provide you with a great list of vendors that we have worked with many times and offer excellent quality and customer service. Congratulations & Happy Planning from everyone on the Qwik Picz Team!
